<p>Computer News x120</p>	<p>In honor of Trinity Sunday, Fr. Dave asked "How many times do you make the sign of the cross a day?" One of our responsibilities as parents and godparents is keeping prayer in our children's daily tasks. What better way to do it this summer than in making a personal prayer book? Visit Think Quest at: http://library.thinkquest.org/J001156/makingbooks/makeown.htm They will show you how to make mini, pop-up, lift-up, and fold books to name a few. This project could be a memorable keepsake for your child. I know we are always busy during the summer months but don't let this special project pass you by.</p>

SCRIP

*Remember the contest is going on this weekend... for every \$200 in Scrip you purchase, your name will go in a drawing for \$100 in Scrip to Broadview, Lowes or Menards, just in time for your Spring and Summer projects! Don't forget your gas cards... let these high prices give you something back in return... We'll announce the winner in the last flyer of the year!

*The last school order will be on Tuesday, May 27th. If you have a special order during the summer, it will be filled and placed in the boxes at church for you to pick up the following weekend.

*The last Wednesday morning sale will be next Wednesday, May 28th. We will still be ordering Scrip every week, so we will keep plenty on hand for all of your daily and special needs. Remember, your school tuition profit continues to grow with all your purchases - even through the summer months.

*We also wanted to let all of you regular Scrip buyers know that you are awesome!! I think St. Therese has such a committed group of families who are dedicated to buying Scrip. We in the Scrip department want to thank all of you for your continued support in making our program such a success. We hope that you are pleased with the profit return you get back towards your book fees and tuition, and also back to the school and church. I am amazed every time I look at the numbers and see just how much profit you have helped to generate. Thank you again and keep up the good work!
